

Annual Report — Town of Rutland, Vermont
Year Ending December 31, 1996

NEW TOWN HIGHWAY DEPT. TRUCK

RICHARD J. DEL BIANCO

The 1996 Town Report is being dedicated to Richard J. Del Bianco.

Born November 6, 1930, Dick has spent most of his life in Center Rutland. He lived on Barrett Hill, but later moved to Old Falls Rd. by the falls with his parents, Flora and Araldo and a brother, Bobby, who died when he was only 9 years old.

Dick attended the Center Rutland School which now houses the Town Offices. He graduated in 1948 from Mt St Joseph Academy and went to work at a branch office of Vermont Marble Company in Detroit, Michigan. He also worked for a while in Proctor before entering the Army where he served in the Korean War.

After his Service discharge, he returned to Vermont Marble Company where he met his wife, Marilyn, and they were married in 1954. They lived in Proctor until 1956 when they moved into their present home on the East Proctor Road.

Dick worked for Howe-Richardson Scale Company for 20 years before running for his present position, Town Clerk/Treasurer, which he has held for 21 years.

Dick was a Charter Member of the Rutland Town Fire Department. He is a member of the K of C, American Legion Post #31 and St. Peter's Church. He has been a member of the Rutland Town School Board, the Town & City Clerk's Association, the Italian Aid Society and the Proctor-Pittsford Country Club. He has a 10-year perfect attendance record at Rutland Rotary South.

Dick is famous for his Bob Newhart skits and was thrilled to meet him in person in Burlington in 1990.

Marilyn and Dick have 5 children and 4 grandchildren.

THANK YOU, Dick, for your many years of dedicated service to the Town of Rutland!

**AUDITORS**

Joseph Surething, Chair; Shelly Hendee, Kevin Mullin

AUDITORS' REPORT**TO THE HONORABLE BOARD OF SELECTMEN:**

We have, to the best of our abilities, examined the records and accounts of the Town's General Fund and associated funds as of December 31, 1996.

In our opinion, the accompanying financial statements present fairly the financial position of the Town at December 31, 1996, and the results of their operations, and changes in their financial position for the year then ended. We have sent copies of our management letter stating any weaknesses there may be to the Town Treasurer and the Honorable Selectboard.

As auditors, we have reviewed the accounting controls of the Town Treasurer's Office and have utilized accepted auditing procedures as provided by the State of Vermont.

We especially thank the Town Treasurer for his cooperation and support in assisting us in the examination of the Town records.

Respectfully Submitted,
 BOARD OF AUDITORS
 Joseph A Surething, Chair
 Shelly P Hendee
 Kevin J Mullin

**AUDITORS' REPORT OF THE FINANCIAL CONDITION

**RUTLAND TOWN
1996 OUR YEAR IN REVIEW**

To the residents of Rutland Town,

In many ways, the 1960s came to an end in 1996 in Rutland Town. By a vote of 1141 to 961 Town residents declared their desire to have the entire Town undergo a comprehensive reappraisal. For the first time since 1967 all real estate and business equipment in the Town of Rutland will be evaluated and a current value of worth will be established.

A great deal of work will take place over the next year or so as the reappraisal firm conducts site visits and creates new records for all properties and business equipment in the Town of Rutland. When the reappraisal is complete, the Town will be well positioned for the next century with a Grand List that can be maintained by the Town's elected Board of Listers.

In appreciation for the efforts of those Town residents who fought in World War 1, World War 2 and the Korean War, the Town of Rutland in 1996 refurbished the white marble monument in front of the Town Municipal Building in Center Rutland. The local firm of Rutland Marble and Granite did an excellent job re-carving and repainting the names of those Town residents who most admirably served in the military forces of the United States of America. A special Thank You is due to Town Clerk and Treasurer, Richard Del Bianco, who coordinated the project for the Board of Selectpersons.

As of this writing the Board of Selectpersons is close to reaching a resolution to a contract dispute involving law enforcement at the Diamond Run Mall. It is hoped the revised contract between the Town and the owners of the Diamond Run Mall will provide the mall with adequate law enforcement coverage so as not to place a burden on the Town.

In other legal matters the Town had success in 1996 when the Court dismissed a proposed class action lawsuit brought against the Town by a Town business. The Rutland County Superior Court also dealt a blow to the Town by ordering that business personal property be assessed at 30% instead of 100% on the Grand List.

Following the Board's 1995 rejection of both the Planning Commission's Zoning proposal and the Board's own Ad Hoc Zoning Committee's proposal, a joint Selectboard and Planning Commission Committee was formed to come up with a compromise proposal.

Unfortunately, the full Board in 1996 rejected the committee's work and there are no Zoning regulations as of this writing. The Board recently met with the Planning Commission and established a process to come up with a compromise Zoning document.

The foul smell of a mysterious sewer odor which made the local newspaper headlines in 1996 resulted in the Town hiring a Certified Industrial Hygienist to diagnose the problem. As of this writing the odor has not been reported since December 1996.

The proposed Rutland Bypass continued to make the news in 1996 as the State Agency of Transportation and the consulting firm of Louis Berger Associates continued to work toward naming a route location. It is expected that the State AOT will announce within the next few months the results of the Environmental Impact Study. The EIS will determine if there is a need for a Bypass and if so where it should be built.

The Town of Rutland has hired the services of Transportation Planner, Jeffrey Zupan, to represent the Town's interest in the ongoing Bypass debate. The Board of Selectpersons will continue to be involved in the public decision making process. As always, the Board will keep Town residents informed as the process continues.

In other matters the Town has recently completed the Enhanced 911 (or E911) home numbering program. It is expected the Town will release the new house numbers in the spring of 1997. The E911 project is set to come on-line in July 1997.

Rutland Town or rtown as we are known in cyberspace, when on-line in early 1996. The Town's URL is <http://www.sover.net/~rtown/> please stop by and leave us an email. Lastly, the Town Fire Department in 1996 purchased life saving extraction tools which give the department the ability to rapidly remove individuals from vehicles. As always, the Town's Fire Fighters deserve a big thank you for all their efforts to maintain a highly trained volunteer department ready to serve our residents.

The Selectboard would like to thank all the individuals, both paid and volunteer, for their dedication and contribution to the Town of Rutland.

Respectfully submitted,

Rodney T Gallipo, Chairman
Karen A Bossi, Clerk
John D Flory Jr
John Paul Faignant
William Matteson

RUTLAND TOWN WARNING

The legal voters of the Town of Rutland are hereby warned to meet at the Rutland Town Elementary School on Post Road on Monday, March 3, 1997 at 7:30 PM to discuss Articles #2 thru #20.

On Tuesday, March 4, 1997, at 7:00 AM at the Town Hall in Center Rutland for voters living on the West side of Route 7, and at the Elementary School Gym on Post Road for voters living on the East side of Route 7 to vote on Articles #1 thru #19 inclusive, by Australian Ballot.

Polls will close at 7:00 PM on March 4, 1997.

ARTICLES:

1. Choose all necessary officers required by law.
2. Shall the voters authorize the Select Board to borrow money in anticipation of taxes?
3. Shall property taxes be payable to the Town Treasurer on or before September 5, 1997 with a discount of 4%, and after September 5, 1997 turned over to the Tax Collector as delinquent taxes, and Select Board to appropriate necessary funds to cover the discount?
4. Shall the voters authorize the Select Board to raise by taxes an amount not to exceed FOUR HUNDRED TWENTY-FIVE THOUSAND & NO/100 DOLLARS (\$425,000.00) for use toward the operation of the General Fund budget?
5. Shall the voters authorize the Select Board to raise by taxes an amount not to exceed FOUR HUNDRED SIXTEEN THOUSAND & NO/100 DOLLARS (\$416,000.00) for use toward the operation of the Highway Fund budget?
6. Shall the voters authorize the Select Board to raise by taxes an amount not to exceed NINETY THOUSAND FIVE HUNDRED & NO/100 DOLLARS (\$90,500.00) for use toward the operation of the Fire Fund budget?
7. Shall the voters authorize the Select Board to raise by taxes an amount not to exceed SIXTY ONE THOUSAND & NO/100 DOLLARS (\$61,000.00) for use toward the operation of the Recreation Fund budget?
8. Shall the Town of Rutland appropriate an amount not to exceed FOUR HUNDRED EIGHTY-FIVE & NO/100 DOLLARS (\$485.00) toward supporting the work of the Vermont Center for Independent Living of Disabled Vermonters?
9. Shall the Town of Rutland appropriate an amount not to exceed SIX HUNDRED SEVENTY & NO/100 DOLLARS (\$670.00) toward supporting the work of the Retired Senior Volunteer Program (RSVP) of Rutland County?
10. Shall the Town of Rutland appropriate an amount not to exceed EIGHT HUNDRED & NO/100 DOLLARS (\$800.00) toward supporting the work of the Association for Retarded Citizens?
11. Shall the Town of Rutland appropriate an amount not to exceed NINE HUNDRED SEVENTY-FIVE & NO/100 DOLLARS (\$975.00) toward supporting the work of the Bennington-Rutland Opportunity Council in Rutland Town for the year 1997?

12. Shall the Town of Rutland appropriate an amount not to exceed ONE THOUSAND & NO/100 DOLLARS (\$1,000.00) as our share of a new Rutland County Vietnam Veterans memorial to be constructed in the North Main Street Park in the City of Rutland?
13. Shall the Town of Rutland appropriate an amount not to exceed ONE THOUSAND THREE HUNDRED & NO/100 DOLLARS (\$1,300.00) toward supporting the work of the Southwestern Vermont Council on Aging Inc for the elder citizens of Rutland Town?
14. Shall the Town of Rutland appropriate an amount not to exceed TWO THOUSAND & NO/100 DOLLARS (\$2,000.00) as our share toward the Rutland Economic Development Corporation's budget to promote economic development in the Rutland Region and Rutland Town?
15. Shall the Town of Rutland appropriate an amount not to exceed FOUR THOUSAND THREE HUNDRED FIFTY & NO/100 DOLLARS (\$4,350.00) in support of Rutland Area Community Services (formerly Rutland Mental Health)?
16. Shall the Town of Rutland appropriate the sum of SIXTY-FIVE HUNDRED & NO/100 DOLLARS (\$6,500.00) to support the Rutland Visiting Nurse Association and Hospice in fiscal year 1997 (\$500.00 to support Rutland Area Hospice and \$6,000.00 to support RAVNAH home and community health services)?
17. Shall the Town of Rutland appropriate the sum of TWENTY TWO THOUSAND SIX HUNDRED EIGHTY-SIX & NO/100 DOLLARS (\$22,686.00) toward the operating costs of the Regional Ambulance Service for 1997?
18. Shall the Town continue its participation in the Rutland Free Library Association Inc and approve an appropriation not to exceed SIXTY EIGHT THOUSAND FOUR HUNDRED TWENTY-ONE & NO/100 DOLLARS (\$68,421.00) for the year 1997?
19. Shall the Town vote, pursuant to 32 VSA 3832(7), to exempt from real estate and personal property taxation the following described real estate to be acquired by Rutland Amateur Hockey Association, Inc (R.A.H.A.) a non-profit corporation exempt from taxation under Section 501(c)(3) of the Internal Revenue Code, or such lesser portion thereof as R.A.H.A. acquires if R.A.H.A. acquires less than all said realty, together with ice skating facility and related improvements to be constructed thereon, and associated personal property; provided, however, that such exemption shall not become effective until April 1 next following the occurrence of both of the following: (1) R.A.H.A. acquires title to such real estate or portion thereof, and (2) R.A.H.A. begins use of an ice skating facility on the acquired real estate for youth hockey programs?

PARCEL A

Being a parcel of land containing 12.7 acres, more or less, and more particularly described as follows:

Commencing at a point on the westerly property line of lands of Juster, said point being approximately 742 feet northeasterly of the most southeasterly corner of said property; thence N 44°48'36" E a distance of 835 feet; thence S 45° E a distance of 1087 feet; thence S 5°30'36" W a distance of 29 feet; thence S 45° W a distance of 185 feet; thence N 45° W a distance of 76 feet; thence S 45° W a distance of 290 feet; thence N 45° W a distance of 295 feet to the point of beginning.

PARCEL B

Being a parcel of land containing 16.3 acres, more or less, and more particularly described as follows:

Commencing at a corner point on the property line of lands of Juster, said point being the most northerly corner of said property; thence S 00°00'36" E a distance of 1320 feet; thence S 19°10'21" W a distance of 121 feet; thence N 79°24'36" W a distance of 39 feet; thence N 45° W a distance of 402 feet; thence N 45° W a distance of 216 feet; thence N 5°30'36" E a distance of 1211 feet; thence S 63°16'12" E a distance of 513 feet to the point of beginning.

20. To transact any other necessary, legal and proper business which may come before said meeting.

**INSTRUCTIONS FOR VOTERS
OPTECH TABULATORS**

Here is some basic information for you, the voter. If you have any questions after reading this poster, or at any time during the voting process, ask your town clerk or another election official.

CHECK-IN

1. Go to the entrance checklist table.
2. Give your name, (and, if asked), your residence to the election official in a clear, audible voice.
3. Wait until your name is repeated and checked off by the official.

ENTER

1. Enter within the guardrail and do not leave until you have voted.
2. An election official will hand you a ballot.
3. Go to a vacant booth.

MARK YOUR BALLOT—VOTE FOR ONLY ONE CANDIDATE

1. To vote for a person whose name is printed on the ballot, complete the arrow to the right of the name of the candidate.
2. To vote for someone whose name is not printed on the ballot, use the blank "write-in" line on the ballot and complete the arrow to the right of the name.
3. Your ballot will be counted by a tabulator. DO NOT FOLD, BEND OR DAMAGE the card.

VOTE

1. Place your voted ballot into the tabulator.

LEAVE

Leave the voting area by passing outside the guardrail.

VOTERS — PLEASE NOTE

**IF YOU ARE UNABLE TO VOTE
ON TUESDAY, MARCH 4, 1997
PLEASE CALL TOWN CLERK'S OFFICE
AT 773-2528 FOR AN ABSENTEE BALLOT
AND WE WILL MAIL IT TO YOU**

OR

**COME TO THE OFFICE IN PERSON TO VOTE.
PLEASE TAKE ADVANTAGE OF THIS OPPORTUNITY!**

NOTICE TO VOTERS BEFORE ELECTION DAY

CHECKLIST POSTED:

By Sunday, February 2, 1997. Make sure your name is on it. If your name is not on it,

REGISTER TO VOTE:

When: No later than twelve noon on Saturday, February 22
Where: Town Clerk's Office

ABSENTEE BALLOTS:

When: On March 3, apply no later than 5:00 p.m. or close of the clerk's office if for self, and no later than 12:00 noon if on behalf of another person.
Where: Town Clerk's Office
How: Either in person, in writing or by telephone.
Who: Voter or family member may apply all three ways above; other authorized person may apply for voter in person or in writing.

Ways of voting absentee:

Vote in Town Clerk's office before the deadline
Have ballot mailed to you, and mail or take it back to the Clerk's Office before election day or to polling place before 7:00 p.m. on election day.
If disabled or ill, have two justices of the peace bring a ballot to you at your home on the day before or the day of election.

SAMPLE BALLOTS POSTED:

Saturday, February 22

ON ELECTION DAY

If your name was dropped from the checklist in error, explain the situation to your Town Clerk and ask that it be put back on.

If the problem isn't cleared up to your satisfaction, have the Town Clerk, a Selectperson or other members of the Board of Civil Authority call an immediate meeting of the members of the Board who are present at the polls. They should investigate the problem and clear it up.

If you are still not satisfied, you may appeal to a Superior Court Judge, who will settle the matter that day. Call the Secretary of State's Office at 1-800-439-VOTE for more information.

If you know voters who have physical disabilities, are visually impaired or can't read, let them know they may bring a friend or relative to help them vote.

If you know voters who cannot get from the car into the polling place, let them know that a ballot may be brought to their car by two election officials.

DO NOT

Knowingly vote more than once, either in the same town or in different towns.

Mislead the Board of Civil Authority about your own or another person's eligibility to vote.

Interfere with the progress of a voter to and from the polling place.

Socialize in a manner that will disturb other voters.

FOR HELP OR INFORMATION

Call the Secretary of State's Office
1-800-439-VOTE

OR

TTY: 1-800-253-0191

VOICE: 1-800-253-0195

TOWN OF RUTLAND SELECT BOARD ROAD OBSTRUCTION ORDINANCE

No person, whether as landowner, lessee, agent, employee or volunteer, shall deposit, or cause to be deposited, material of any kind within a Town highway right-of-way, or obstruct a ditch, culvert or drainage course without a written permit from the Select Board, in accordance with Title 19 S 303 of V.S.A.

Material for the purpose of this ordinance shall include, but not limited to: logs, snow, ice, rocks or dirt, which have been pushed, plowed or deposited by any means within a highway right-of-way.

Any person who violates the provisions of this ordinance shall pay a fine of not less than Ten Dollars (\$10.00) or more than Two Hundred Fifty Dollars (\$250.00) for each violation, together with the cost of prosecution, including service fees, Court costs and attorney fees. Each day during which such violation exist shall be a separate offense for the purpose of this ordinance.

The provisions of this ordinance are in addition to, and not substitution of any other rights and remedies, criminal or civil, which the Select Board may have.

Adopted at a duly warned meeting of the Rutland Town Select Board dated this 28th day of October 1996.

Rodney Gallipo, Chairman
Karen Bossi, Clerk
John Paul Faignant

TOWN TAX COLLECTOR
Richard S Lloyd

TAX COLLECTOR'S REPORT
31 December 1996
Richard S Lloyd, Tax Collector

The delinquent taxes are, once again, one of the lowest, per capita, in the State of Vermont! I would like to thank the Selectboard and the staff at the Town Clerk's office for all their support during the past year.

DOG LICENSE REPORT - 1996

442	Neut Male/Spayed Female	at	\$ 5.00	\$2,210.00
58	Neut Male/Spayed Female	at	7.50	435.00
4	Neut Male/Spayed Female	at	2.50	10.00
20	Males	at	9.00	180.00
1	Male	at	13.50	13.50
16	Females	at	9.00	144.00
3	Females	at	13.50	40.50
1	Kennel Permit (8 dogs)	at	30.00	30.00
1	Special Permit	at	10.00	10.00
546				\$3,073.00

—NOTE—

A person who owns or keeps a dog more than six months old shall annually, on or before April 1, cause it to be licensed and shall pay \$5.00 for each neutered male or spayed female dog, \$9.00 for each male or female dog. If the license fee for any dog is not paid by April 1, a 50% penalty is added.

Before a person shall be entitled to obtain a license for a spayed female or neutered male dog, he shall exhibit to the Clerk a certificate signed by a duly licensed veterinarian showing that the female or male has been sterilized.

Before obtaining a license for a dog six months of age or older, a person shall deliver to the Town Clerk a certificate or certified copy thereof signed by a duly licensed veterinarian, stating that the dog has within 24 months been vaccinated against rabies with a vaccine approved by the Department of Agriculture. The Town Clerk shall keep the certificates or copies thereof on file.

DOG TAGS ARE AVAILABLE NOW! PLEASE COME IN AND AVOID THE RUSH BEFORE APRIL 1st. THANK YOU!

Richard J. DelBianco
Town Clerk

TOWN CONSTABLES

John D Flory, Jr - 2nd Constable
Brian V Abbey - 1st Constable

RUTLAND TOWN CONSTABLES

The Rutland Town Constables provide twenty-four (24) hour, seven day a week, police coverage to residents of the town. Both are certified police officers, receive many hours of training each year and together have fifty-eight (58) years of police experience.

In 1996, we answered numerous calls from town residents and businesses, as well as, assisting other police agencies.

Our complaints ranged from as serious as sexual assault to vandalism, serious bodily injury accidents to minor damage parking lot accidents, child custody case, health and welfare checks on sick or injured residents, vehicle lock outs, dog ordinance/animal related incidents, burglar alarms and many other police and non-police related requests for service. In addition, we provide unscheduled house security checks on your home when you are away for any extended periods of time.

In 1997, we are striving to provide more accountability to the town residents and are currently developing a statistical report for our activities.

In 1996, a second portable radio and a cell phone were purchased to upgrade our police communications. This enables each Constable to be in communication with the town offices, as well as, the State Police.

Both Constables are regular members of the Rutland Town Fire department and respond to fire calls.

The Constables may be reached at any of the following numbers:

Rutland Town Offices	773-2528
Brian Abbey	773-7388
John Flory	773-8973 or 773-3791
Vermont State Police	773-9101

Respectfully submitted,

Brian Abbey
John Flory
Rutland Town Constables

AUDITORS' REPORT

TO THE HONORABLE BOARD OF SCHOOL DIRECTORS:

We have examined, to the extent of our abilities, the records and accounts of the Rutland Town School District as of June 30, 1996.

In our opinion, the accompanying Financial Statements present fairly the financial position of the School District as of June 30, 1996, and the results of their operations, and changes in their financial position for the year then ended.

As auditors, we have examined and tested such areas as cash, receipts, disbursements, investments, school petty cash and athletic fund accounts, and have verified figures on the accompanying financial statements. We have sent copies of our management letter stating any weaknesses there may be to the Town Treasurer and the Board of School Directors.

We thank the Town Treasurer and others connected with the Rutland Town School District for their cooperation and support in assisting us in this year's examination of the School records.

Respectfully submitted,
BOARD OF AUDITORS
Joseph A Surething
Shelly P Hendee
Kevin J Mullin

RUTLAND TOWN SCHOOL BOARD REPORT

Calendar year 1996 represented a period of transition and improvement at the Rutland Town School. In June of last year, Karen Prescott accepted the position of interim principal and has done an excellent job in coordinating the many facets of our school operations. The first half of the 1996-97 school year has gone smoothly under Mrs. Prescott's direction.

In the area of curriculum, in March of last year the voters approved the school budget which included funding for improvements to the technology program as well as money which would have allowed us to reinstitute a foreign language program. Unfortunately, we have encountered difficulties in getting the foreign language program off the ground. The position contemplated under last year's budget would have created a one-half teaching position allowing us to offer foreign language to our seventh and eighth grade students. Due to the limited nature of the teaching position; however, and "market demand" for full time foreign language teachers, we were unable to fill the one-half position. In the budget proposal for the 1997-98 school year, we have proposed to increase the foreign language position in the hopes that we will be able to attract qualified applicants who will be able to serve in a more expanded foreign language offering.

Enrollment in our school continues to remain fairly stable, hovering around 480 students. We can all take great pride in the academic achievement of our children as evidenced by very successful results in national and state achievement testing. In addition to academics, our students actively participate in extracurricular activities with strong interest in sports and music. Likewise, our high school graduates have been very successful in achieving honors throughout their high school careers with the large majority choosing to further their education in college programs. Once again, as in years past, Rutland Town residents awarded \$5,000.00 in scholarships to assist a number of our students going on to higher education.

We are pleased to report to the Town that the school building facility is in excellent condition and that many of the "bugs" in the newly constructed addition have been ironed out. We continue to work on miscellaneous matters in an effort to "fine tune" building issues and reduce costs.

The School Board Members would like to thank members of the PTO and Town Recreational Department for their fine support during 1996. The PTO provided financial assistance in purchasing items such as glass backboards for the basketball court, entryway benches in the main building and a trophy case. The Recreation Department was of great assistance in improving the baseball field in our school yard.

We look forward to the successful completion of the 1996-97 school year and we wish to send thanks to the administrators, teaching and support staff at the school. We also especially wish to thank the parents, Town residents and voters for their continued support and we invite all interested persons to attend our Board meetings which are held on the second and fourth Monday of each month starting at 7:00 p.m.

Respectfully submitted,

S. Stacy Chapman, Chair
Lynette Gallipo, Clerk
Patricia McCormack
Donald Tredtin
Charles Shomo

Rutland Central Supervisory Union Notice
Handicapped Children
Ages 0-21 Years

The Rutland Central Supervisory Union, Proctor, Rutland Town and West Rutland, in meeting the requirements of its Local Education Agency Plan, is attempting to identify any and all area resident children between the ages of 0-21 years who may be considered handicapped. These children are entitled to receive an education, regardless of handicap, at public expense. It is possible that the Rutland Central Supervisory Union may not be aware of the residence of all handicapped children. If you know of a child who might be eligible for educational services and is not in school, please notify the Director of Student Educational Services, P.O. Box 440, 22 Evelyn Street, Rutland, VT 05701, or phone 775-4342.

RUTLAND CENTRAL SUPERVISORY UNION
Annual Report

Beyond death and taxes, a superintendent has one inevitable and distinguishing experience—it is never boring! Each day is full of surprises, problems, dilemmas, and upon occasion, genuine success. Public education is under close scrutiny these days and its critics find voice in the media and “on the street,” but I believe the teachers, administrators, staff in the RCSU are energetically working to deliver the best possible results for our students. At the supervisory union level this means administrative creativity and efficiency and educational leadership to respond to every changing demands from parents, the community and the state and federal governments.

I am pleased to report that the work of the RCSU systems and personnel has been excellent. The audits indicate a high degree of financial accountability. Responsibility for close to \$10 million from local, state, and federal government is in the hands of only five employees. Although the Principals, Karen White and I set direction and provide leadership and oversight, it is the staff that assembles budgets, meets payrolls, manages contracts, pays bills, makes a host of statistical and management reports, manages grants, and keeps financial and legal files for the RCSU, three local school boards and four teacher and staff bargaining units. The RCSU is blessed with a competent staff and one which produces a quality service with good humor.

Our biggest challenge, however, is in the area of education leadership. By law, a supervisory union has a leadership role in the area of curriculum, but recent initiatives by the State Board of Education mean a heightened responsibility, especially incorporating the *Vermont Framework* to shape curriculum and gearing up for state assessments in language arts, science, math, and social studies. Also on the horizon is a state standardized test. This test has the conceptual approval of the State Board of Education and funding is included in Governor Dean's budget.

The RCSU has an organizing concept, called E.P.I.C., to use for education improvement initiative, and it is an excellent design to deal with these new challenges. With the support of a Goals 2000 grant, 33 teachers, administrators, and parents attended a four session seminar which introduced them to the Vermont Framework, strategic planning, and presentations on what the Framework means in the science, math, and social studies curriculum. With consulting support, we developed recommendations on what is needed for our schools in information technology. Significant strides are occurring in all the schools.

Vital to E.P.I.C. is successful strategic planning. Each Board has committed to a strategic planning process to support educational improvement and to focus our efforts. The timing of these projects is shaped by time and costs since the two schools are undergoing reaccreditation by the New England Association of Secondary Schools and Colleges. In December, 23 Westsiders held a very successful three day planning retreat and have completed a draft plan. Rutland Town will make a similar effort this winter, and Proctor will do theirs upon completion of the New England process. If you have an interest in more information, please call, and since community participation is vital to success, we would love to have more volunteers. Residents of Proctor and Rutland Town will be hearing from us.

Finally, in case you hadn't heard, the RCSU Central Office has moved to 257 So. Main St. in Rutland. The office had been on Evelyn Street for over 20 years, but a combination of building deterioration, regulatory problems, and ownership change meant we needed to move. On behalf of all RCSU employees, I want to thank the Boards and you for supporting this change. The improvement in working conditions is a blessing to us and, I believe, productivity for you.

Respectfully submitted,

Donald V. Webster, Superintendent

Rutland Central Supervisory Union

My most sincere Thank You to the Officers, Firefighters, and members of the Ladies Auxiliary for their hard work and deep devotion to the Town of Rutland and its Fire Department. I also wish to thank all residents and taxpayers of Rutland town for their help in making the Rutland Town Fire Department the great organization it is today.

During 1996 the RTFD sadly lost three of its finest. The deaths of John (Jack) Drinwater, charter member, firefighter, officer, and Chief of this department for nearly two decades; Hazel Howland, ardent member of the Ladies Auxiliary through those early years of this fire department; and Charlie Taylor, adopted member, teacher, and father of much of our firefighting knowledge, leave behind thousands of fond memories that this department shall never forget.

As Rutland Town continues to grow you have probably noticed our number of responses is growing. Even with fire prevention in our schools, on TV and radio, and in newspapers and magazines, we all must strive to teach safety in our homes, on the road, at the workplace, and wherever people meet. In 1996, the RTFD, after considering the needs of our townspeople, has entered a higher level with the purchase, training, and use of extrication tools and other rescue equipment, to assist you during your hour of distress. Our normal replacement schedule of equipment and personal gear continues in accordance with new state and federal regulations. The roof at the McKinley Station has been replaced with a rubber membrane type roofing and more insulation.

If any town resident wishes to stop by on Wednesday evenings at either station to view your Fire Department, or to join the Department, please feel free to stop by. Thank You!

Respectfully Submitted,
Tim Perry, Fire Chief

CEMETERY COMMISSIONERS

Byron R Hathaway, Rachael Williams, George Livak

CHENEY HILL CEMETERY ASSOCIATION Annual Report

The annual meeting of the Association was held with the following officers elected:

President - Byron R Hathaway
Vice President - Rachael Williams
Secretary - George Livak

Many thanks to Tony Flory and Rachael Williams for their work mowing and caring for the Old Cemetery in Center Rutland and the Cheney Hill Cemetery off Pinnacle Ridge Avenue.

We also are planning to plant more shrubs along the driveway and to repair the old fence along the east side of the cemetery.

Lot prices are currently \$200 for full size lots and \$75 for cremation lots. An increase in lot prices for 1997 has yet to be determined. For information about lots contact Byron R. Hathaway at 775-2624.

There were 2 lots sold this year. This brings the perpetual account principal to \$33,025.00.

Respectfully submitted,

Byron R Hathaway, President
Rachael Williams, Vice-President
George Livak, Secretary

RECREATION COMMISSION REPORT

The Recreation Commission has been working diligently in the past year not only to enhance our programs, but also in response to the continually increasing number of Town youths participating in our programs.

Presently, the Town recreation programs include: Soccer, Baseball programs from kindergarten through high school level, basketball, and a swimming program for pre-schoolers through life-saving courses. Anyone with questions about these programs should contact a Recreation Commissioner directly, or the Town Clerk's Office.

The Recreation Commission would like to extend our heartfelt thanks to all of our volunteers without whom we would be unable to run our programs. Our coaches are dedicated volunteers who give up much of their free time to aid our children in memorable programs. A special thanks to Jay Wilson for his continued operation of our soccer program.

The Recreation Commission would like to also thank Pat Hurley who dedicated his time and skill to making soccer goals. As a result of Pat's efforts, the Town was able to provide new soccer goals by only paying the cost of materials.

We would also like to extend our appreciation and recognition of the efforts of a young man from Rutland Town. Last summer, James Alcorn approached the Commission with his plans for building bleachers at Northwood to earn his Eagle Scout award. James designed the plans, raised some of the money and built beautiful bleachers for Northwood Park. This is just one example of how dedication to our youth results in rewards for the entire community.

The Recreation Commission plans to do some expansion of fields at Northwood. During the past year, we were able to refurbish two fields on school property at Northwood Park. This coming year, we have plans to add two more multi-use fields. This is being worked on with the aid of the Army Corps of Engineers who will do all the labor without pay and will only cost the taxpayers for materials.

We would like to thank our staff of Northwood Pool and the Town Clerk and Treasurer and staff. Also, a "thank you" to all other departments and to the Select Board.

Recreation Facilities

Dewey Field
Northwood Pool and Park
Tennis/Basketball Courts at Dewey and Northwood

LEGISLATIVE REPORT
Representative Steve Howard

Thank you for the opportunity to speak with you about the legislative session. Let me share my views on one of the most important issues facing our town and our state: property tax reform and funding education.

Let's face it, a new day in education finance is coming. The election results of 1996 reflect the will of Vermonters for reform. My position is, let's get out in front of the reform debate and have real influence on a major policy that affects Rutland Town and the children of our state. This train is moving; we can try to stop it, but I fear we will only get hit. My position is, let's get on board and influence the direction of the debate.

I propose funding education based primarily on income tax. I believe taxing people based on how much they earn is more sensible than our current system. Most Vermonters would see a tax cut (80%), even in our town which usually sees taxes go up on our residents under property tax reform. The income tax creates a "soft landing" in a recession because it reduces tax burdens as earnings drop. That's good for Vermont. That's good for job creation and for our economy.

I look forward to this debate. I welcome your comments. Feel free to give me a call anytime, 1-800-322-5616.

Let me just conclude by saying how proud I am to represent the people of Rutland Town. It is an honor to serve as your State Representative.

Rep. Steve Howard

RUTLAND FREE LIBRARY ASSOCIATION, INC.
Annual Report, 1995-96

Our Mission Statement:

Learning is a life-long journey. The Rutland Free Library is committed to providing a diversity of resources and services to assist people of all ages on that journey.

With the adoption of the current long-range plan this year the library re-affirmed its commitment to providing a wide range of choices for individuals who turn to the library. A look at our activities, statistics and projects provides a good indication that the library is making not only the effort but real progress in several arenas.

Believing that computer literacy remains an important aspect of all future literacy work and also desiring to capitalize on the extraordinary information retrieval possible through computers, we installed two computer workstations and twin CD-ROM towers. Made possible through the generosity of the Friends of the Library, this gift provides children and adults an opportunity to get comfortable with this technology and an additional way to extract more information from library resources. The next step will be connections with Vermont libraries and the internet at public terminals.

Cooperative efforts and partnerships with a number of agencies has fostered a number of new initiatives for public benefit. As a charter participant in the Success by Six Committee, a large countywide collaborative working for children and their families, we have offered special programs for new parents and special packets for newborns. Our staff sit on the Healthlinks Committee, another cooperative project with the goal of providing medical information on a locally accessed database. The entire Children's Performing Arts Series has been sustained through joint presentation with Rutland City's Recreation Department. We are actively involved as planning members on the Rutland County Telecommunications Committee to see that access to the internet and computers is available to all citizens regardless of income or status. A joint agreement with Rutland High School will make the internet available to all members of the public at the public library, at the high school library, and to all students, teachers and administrators.

Recognizing that information comes in a variety of packages and formats the library provides a wide range of programs for adults and children, from poetry workshops to reading discussion groups, from story hours to puppet shows, from cultural arts performances to lectures and demonstrations. In addition, the library provides space for dozens of groups to meet and discuss their own issues: childcare providers, an internet society, groups like the Audubon Society and the Rutland County Humane Society, Crossroads and AA. Statewide groups gather here as well.

While statistics never tell the whole story, they do give an outline: Over 101,300 people used the library in the past six months; library card holders increased by 11%; the Fox Room was used 194 times for library programs and 224 times by clubs and organizations in the past 12 months. Attendance records for library programs increased by 25%. The number of books circulated was 189,116, averaging over 3600 a week.

The library is a private non-profit corporation supported in large part by taxes from the communities of Rutland City, Rutland Town, Mendon, Ira and Tinmouth. Trustees from these communities represent the concerns of the supporting towns. Daily operations are maintained by a hard-working staff, who have served an average of 10.3 years at the library and by just under 20 volunteers who contributed 2,226 hours of service last year. All of these efforts are further supported by and extended with the help of the Friends of the Rutland Free Library.

**TOWN PLANNING COMMISSION**

Front Row: George S Livak, Charles Brothers-Chairman, Anthony Belock
 Back Row: Robert Dombro, William Corey, Mary Ascroft, Richard Hoenes, J Barry Burke, Christopher Oakman

RUTLAND TOWN PLANNING COMMISSION

In 1996, your Rutland Town Planning Commission reviewed and approved 8 subdivision applications, considered a Town Plan amendment, and instituted a lawsuit to enforce a subdivision permit we had issued. We also monitored several Act 250 applications.

The Planning Commission meets regularly on the first and third Thursdays of each month, with an occasional meeting added when needed. All of our meetings are open to the public and begin at 7:00 p.m. unless otherwise noted.

The Select Board continues to review the proposed zoning ordinance which we first drafted and sent to them in 1994.

Because we do not have town zoning, any development project in town involving an acre or more of land requires state Act 250 review. If we pass zoning, Act 250 jurisdiction would be limited in most cases to large projects involving 10 acres or more of land. A local board of citizens, not the state, would then be making most land use decisions in our town.

We hope to work on revisions to our subdivision regulations during 1997.

We thank Joseph Zingale, our staff assistance, and our Chair Charlie Brothers for their hard work this past year. Your Planning Commission members Charles Brothers, Anthony Belock, Richard Hoenes, Sr., J. Barry Burke, Mary Ashcroft, Robert Donbro, William Corey, George Livak and Christopher Oakman look forward to continuing their service to the town.

Respectfully Submitted,

Mary C. Ashcroft, Clerk

**ANNUAL REPORT—1996
RUTLAND REGIONAL PLANNING COMMISSION**

The Commission's Mission is to "provide leadership and technical expertise to encourage cooperative planning with and among the region's communities and areawide interests; and, strive to improve the quality of life for people in the region by promoting harmony between sustainable economic development, environmental interests and other planning issues."

In pursuit of that Mission, the Commission continued to work closely with the regions 27 communities to create a cooperative and positive planning process and:

- Provided technical assistance on planning and zoning issues to regional communities including Benson, Brandon, Clarendon, Castleton, Ira, Middletown Springs, Pittsford, Poultney, Rutland Town, Rutland City, Sudbury, Tinmouth and Wallingford;
- Began to prepare jointly—with the Rutland Economic Development Corporation, the Rutland Region Chamber of Commerce, and local chambers—a regional strategy to better coordinate planning, economic development and travel and tourism activities;
- Continued the comprehensive regional transportation planning program through the Rutland Regional Transportation Council. The Council represents the region's 27 communities. It has developed a prioritized list of transportation problem areas, identified projects that would help to solve these problem areas and supported the timely implementation of projects;
- Continued our very successful cooperative purchasing program for fuels that has saved Brandon, Castleton, Pittsford, Wells, West Rutland, Hubbardton, Ira, Clarendon, Middletown Springs, Pawlet, Sherburne, Shrewsbury, Tinmouth, Wallingford, and other nonprofits and school districts substantial amounts on their fuel oil, diesel and gasoline purchases;
- Continued using our geographic information system to give communities graphical information that helps local decision making; acquired aerial photographs (1994) on CD-ROM and other data for use by the business, legal, and real estate sectors;
- Assisted communities with mapping, road naming and road numbering for the future E-911 system;
- Helped in the continued development of the Rutland Region Education Alliance, a nonprofit corporation dedicated to improving education and training in the Rutland Region and insuring that all students are prepared for their roles in the community and the workplace.

Please join us as we continue these and other efforts to generate regional cooperation and make planning in Rutland County a truly grassroots process.

For the ninth consecutive year, **dues will remain at \$500**. We ask that you include this small amount in the selectmen's budget as part of the "local planning" line item. The Commission is giving consideration to an increase in dues in coming years to cover increasing costs.

RUTLAND AREA VISITING NURSE ASSOCIATION & HOSPICE

Ronald J. Cioffi, Executive Director
Gerard Carbine, President, Board of Directors
50 Years of Service
1946-1996

To the Citizens of Rutland Town,

On behalf of the Board of Directors and staff of the Rutland Area Visiting Nurse Association & Hospice, we would like to thank you for your continued support of RAVNAH. We are deeply appreciative of your generosity and your commitment to our nonprofit mission of providing quality home health and hospice services, as well as community health promotion programs.

The event that tops our list of highlights for the past year is our merger with Rutland Area Hospice to form one, unified, comprehensive hospice program for the Rutland region. After working in partnership for several years, the volunteer Rutland Area Hospice merged with RAVNAH so that both clinical and support services could be combined into one program. This merger led to our name change to Rutland Area Visiting Nurse Association & Hospice.

We are also very pleased to report that for the fifth consecutive year, we received no deficiencies in our Medicare survey. We were also able to maintain one of the lowest home care costs in Vermont and in the nation.

We created a joint venture with Rutland Regional Medical Center to continue the provision of essential pediatric rehabilitation services, previously sponsored by Vermont Achievement Center, now known as "Kids on the Move." We also worked with other community agencies to develop a maternal Child Health program to provide support to new and expectant mothers and babies.

We led efforts to open the Diamond Run Mall to walkers and have been offering monthly health clinics there to encourage healthy lifestyle changes. We teamed up with RRMHC to "Pnockout Pneumonia" through both home-based immunizations and a hospital-based clinic. We actively supported and participated in the Community Health Assessment to better understand and serve the needs of our neighbors.

And, perhaps most significantly, we reached our agency's 50th anniversary. With the passing of such a significant milestone, we pause to reflect on RAVNAH's history to celebrate the "threads of success" that have guided us throughout the past half-century. These "threads of success" are:

- RAVNAH's many caring and dedicated employees who are available 24 hours a day, seven days a week, 365 days a year.
- Our Mission, which was established 50 years ago, to provide medically necessary home and community health services for all, regardless of ability to pay or geographic isolation.
- The tremendous community support that provides the essential financial contributions and volunteer hours that enable us to provide needed care.
- The volunteers themselves who dedicate their time and talents to serving on our committees and Board of Directors and helping with a variety of projects.

As we face even greater challenges in the future, our "threads of success" will guide us and help us turn those challenges into opportunities. We have the opportunity to reduce health care costs by providing the most appropriate care in the most appropriate setting. We have the opportunity to ensure quality care while controlling costs. We have the opportunity to create a seamless delivery system by working closely with other service providers.

In Rutland Town, our "threads of success" enabled RAVNAH to serve more than 292 people through 6,213 home care visits in 1995-96. We provided over 20 hours of volunteer hospice care to a Rutland Town family. In addition, our community programs touched the lives of hundreds more town residents through screening clinics, childbirth classes, immunizations and health promotion programs. Staying true to our mission, RAVNAH provided free and subsidized care to residents in need.

We are very grateful for the city and town allocations, United Way funding, foundation grants and individual and corporate donations which have enabled us to continue offering medically necessary services and community programs to all Rutland Town residents, regardless of individual ability to pay or geographic isolation.

Together, we are helping people stay at home, where they want to be, despite illness or disability. We are also keeping people healthy and independent. We thank you, the community, for helping make this possible.

RUTLAND AREA COMMUNITY SERVICES

To the Residents of Rutland Town:

Rutland Area Community Services (formerly Rutland Mental Health Services) appreciates Rutland Town's past support for local services which becomes more critical as we deal with changes in the way health care is provided, while consistently maintaining a high standard of quality.

Rutland Area Community Services asks the citizens of Rutland Town to continue to support our services provided by the programs of:

- **Evergreen Center and Quitting Time** for the treatment of substance abuse and addiction;
- **The Associates in Child and Family Services** providing services to children, adolescents, parents, couples and individual counseling;
- **Community Counseling and Crisis Services** for adult mental health treatment programs;
- **Community Access Program** providing services and programs for the mentally retarded.

Rutland Area Community Services provides care, regardless of ability to pay. Fees collected for services cover only a portion of the actual cost. Federal, State and local funds, such as Town Giving, must cover the remainder. Your past support has been greatly appreciated. Our request for funding has not increased this year.

Rutland Area Community Services has provided 155 units of service to residents of Rutland Town during the past year.

Please support Rutland Area Community Services in our efforts to deliver the highest quality of care and service to your community. We invite you to contact our agency (775-8224) with any questions you may have.

Yours truly:

Mark G. Monson
Chief Executive Officer

Jon S. Readnour, President
Board of Directors

RETIRED AND SENIOR VOLUNTEER PROGRAM
 39 E. Center Street, Rutland, Vermont 05701
 (802) 775-8220

The Retired and Senior Volunteer Program (RSVP) is a nationwide program for people 55 and older who want to meet community needs through meaningful use of their skills, talents, interests and knowledge in volunteer service to non-profit organizations. Needs are met in critical areas such as human service, state and local government, drug and alcohol awareness programs, education, literacy, and the arts, just to name a few. RSVP involves seniors in service that matches their personal interests and makes use of their lifelong experiences. Through such efforts, RSVP is meeting the needs that strained local budgets cannot afford.

Preventive in nature, RSVP enables seniors to contribute to their communities and feel good about themselves through the rewarding experience of volunteering. RSVP volunteers are always quick to point out that they gain much more than they give, wherever their volunteer work takes them. They speak of the work they do, those they help and the benefits they receive—the sense of accomplishment, friendship and of being useful—that results from community service.

Locally, RSVP is the largest program of coordinated volunteer services serving the people of Rutland County with 480 volunteers. From July 1, 1995 through June 30, 1996, volunteers in Rutland County provided 68,000 hours of community service. The cost benefit to the communities of Rutland County in terms of cost of services provided equals \$320,000 (based on minimum wage).

The monies we are requesting this year will be used to help defray costs of providing volunteer placements, support, insurance, transportation, and recognition. In this time of severe fiscal downturn, RSVP continues to strive to provide needed and supplemental services that enhance the quality of life for citizens of all ages throughout Rutland County.

Currently in Rutland Town, 36 volunteers donate their services to the following non-profit organizations: AARP Connections for Independent Living, American Heart Association, American Red Cross, Chaffee Art Center, College of St. Joseph, Dismas House, Family Connection, Godnick Senior Center, Genesis Elder Care, One-2-One, Pleasant Manor Nursing Home, Rutland Library, Rutland Regional Medical Center, Rutland Senior Chorus, RSVP, SAVE Program, Senior Sense Program, Southwest VT Council On Aging, BITKITS.

Some of the services they provide include: Working at the hospital in a variety of tasks, courtering, visiting residents at the nursing homes, providing entertainment for elders in nursing homes, knitting for needy children and elders, providing clerical assistance, serving meals at senior mealsites, delivering meals, tutoring at area schools, clerking, serving on boards, presenting business programs to area schools, artists in residence, acting, Headstart knitters, providing transportation to medical appointments.

On behalf of RSVP, I would like to thank the residents of Rutland Town for their support in the continuation of the RSVP program. We invite you to contact us 775-8220 if you would like to know more about our services or sign up as a volunteer! As financial constraints effect more and more non-profit organizations, the need for volunteers increases. With your help, RSVP will continue to respond to this need.

Thank you, in advance, for your consideration of this request. We hope you will look favorably upon it. Should you require additional information, please contact me.

Sincerely,

Nan M. Hart
 Director

**REGIONAL AMBULANCE SERVICE, INC.
ANNUAL REPORT
(Fiscal Year Ending June 30, 1996)
13 Years of Service 1983-1996**

To the Honorable Citizens of the Town of Rutland, VT:

We are pleased to present our annual report to the Citizens of the Town of Rutland. Regional Ambulance Service, Inc. has continually provided emergency and non-emergency ambulance service for thirteen years. From 1983 to the end of this year Regional has responded to 48,478 ambulance calls. This past year, ending June 30, 1996, the service responded to a total of 5,197 ambulance calls in our 12 communities and an additional 1,376 paramedic Intercept calls.

With the continued support of the citizens, our employees, and community governing bodies, we have level funded and even lowered our assessment rate over the past 12 years. Our current assessment rate is \$6 per capita. We extend our appreciation to everyone for their continued support.

A new ambulance was put into service to replace an older ambulance with over 100,000 miles of service on it. The replacement of vehicles and equipment is on an ongoing schedule.

Training is always very important to keep our employees up to date in their skills. Ten of our Paramedics completed training to become Critical Care Paramedics. This new nationally known training was specifically given to enhance our Paramedic's abilities to treat Critical Patients that are being transferred from R.R.M.C. to other facilities for specialized treatments. The course was very demanding and highly specialized. The Critical Care Paramedic Course was the eighth in the nation and our certified personnel are 10 of 181 in the nation. We extend our appreciation to the Registered Nurses of the Intensive Care Unit of Rutland Regional Medical Center for their participation in this course.

Monthly C.P.R. classes are taught at Regional Ambulance. Last year the R.A.S. Training Center trained 540 people. Tours, lectures, demonstrations, and C.P.R. classes are available for the general public. For further information call 773-1746.

Our professional staff is extremely capable and dedicated. The public is encouraged to visit and talk to the employees and Administrator at our Stratton Road facility. Please feel free to contact James Finger, Administrator, or your representative if you have any questions concerning the service.

This report is dedicated to the loving memory of Robert Johnson, Jr. for his commitment and service to the communities we serve. Bob was committed to his community as the Town of Ira Fire Chief and Regional Ambulance Board Member from 1985 to 1995. His leadership and dedication were recognized by all.

We are proud of our accomplishments and look forward to serving you in the future. The Board of Directors and Administration of Regional Ambulance Service, Inc. will continue striving to provide the highest quality of emergency ambulance care at the lowest possible cost to all of the citizens we serve.

Sincerely:

Paul Kulig, President
Board of Directors

Mary Keirstead
R.A.S. Representative
Town of Rutland

ASSOCIATION FOR RETARDED CITIZENS-RUTLAND AREA
Advocacy/Resources/Support for Citizens with mental disabilities
and their families
128 Merchants Row, Rutland, VT 05701 - (802) 775-1370

The mission of the Association for Retarded Citizens is to advocate for the right of each individual with mental disabilities to be regarded as a valued citizen with the same entitlements as a non-disabled individual. We receive no state or federal funding. Our main sources of income continue to be United Way and towns in Rutland County such as Rutland Town.

In 1996 we were REPRESENTATIVE PAYEE for 60 clients referred to us by Social Security and the local mental health center. We ASSISTED these clients in managing within their budget limitations, no small feat for those living on SS or SSI. We are involved in every operation from payment of bills, rent, etc. to dispensing personal expense monies. We NEGOTIATED and MEDIATED between landlords, service providers and businesses in cases where a client was unable to resolve an issue independently. We APPLIED for Social Security and Welfare benefits for those in need of assistance. We arranged for long-term medicaid for those moving to community care and nursing homes. The man hours involved in managing one client ranged from several hours monthly to 3-4 hours weekly, dependent on need.

We ASSISTED 14 individuals/families in filling out annual accounting guardianship forms for probate court and serve as a support system for guardians after appointment. We ARRANGED 2 dances, a spring and fall party and the annual Christmas party attended by over 200 people. We IMPLEMENTED a Citizen Review process to ensure quality services and environments for people with mental retardation. Eleven folks with mental retardation were reviewed and recommendations made.

Our Executive Director regularly attended training sessions, meetings etc. to advocate and learn about the Mental Retardation System and to direct change when necessary. She is a member of the Guardianship Task Force; Secretary and facilitator for the local Self-Advocacy Group; member of the Family Advisory Council and Steering Committee for the Community Access Program; was recently appointed by Governor Dean to the Developmental Services Advisory Council and is a member of the State Consumer Satisfaction Committee to measure the effectiveness of service agencies in providing services which people want and need.

As we approach our 42nd year in existence, we continue to be proud of our accomplishments and contributions to Rutland County. We are grateful for the continuous support from the citizens of Rutland Town. In 1996 20 residents of Rutland Town took advantage of one or all of the services we offered. We have one Rutland Town resident serving on our Board of Directors.

Our 1997 request for funding from Rutland Town is again \$800.00.

Susan Hansen
 Executive Director

SOUTHWESTERN VERMONT COUNCIL ON AGING
Report to the Citizens of Rutland Town

The Council on Aging estimates that it will spend \$32,447 to provide services to elder residents of the Rutland Town during its current fiscal year.

Following is a brief description of the services that the Council provided to older persons in your community during the past year:

Senior Meals

2,624 meals were delivered to the homes of 21 elders who were homebound and unable to prepare a meal. This service is sometimes called "Meals on Wheels." In addition, 38 older persons participated at one or more of the community luncheon sites supported by this agency, enjoying 1,038 meals primarily at the Cheney Hill Senior Center.

Senior Advocate/Case Management Assistance

Advocate staff, providing help primarily to older persons living on fixed and limited incomes, directly assisted 26 older persons in the Rutland Town community over the past year. Advocates helped elders explore program/service options in such areas as Fuel Assistance, SSI, Medicaid, Food Stamps, etc. They helped with the application process when necessary and intervened on behalf of clients when problems occurred.

Other Service Support

The Council on Aging also assisted Rutland Town elders through such efforts as:

- 1) Information and assistance (I&A) support via the phone, helping older persons, family members and other interested parties find out about service and program availability.
- 2) Health benefit counseling through its VIP Program, helping elders complete claim forms and resolving other problems connected with claims. They also provided general information regarding supplemental insurance coverage.
- 3) Peer Counseling Support utilizing volunteers to help elders deal with grief and depression associated with various life changing events.
- 4) Legal service assistance through the Senior Law Project Attorney whose position was supported by funding from this agency.
- 5) Providing information about issues of interest to elders through the "Elder Connection" column appearing weekly in the *Rutland Herald*, written by Barbara Hanson, SVCOA's Community Relations Director.
- 6) Essential transportation support through contract with the One 2 One Program.

Additionally, the agency's Community Resource Developer was available to work in partnership with local citizens to help survey elder needs and work on possible ways to help respond to those needs on a community-wide basis.

RUTLAND ECONOMIC DEVELOPMENT CORPORATION

To the Citizens of the Town of Rutland:

There is only one organization in Rutland County that works full time to create jobs for the entire region, the Rutland Economic Development Corporation. Since 1937 we have been at the forefront of development of the region from the attraction of companies like Moore Business Forms, Metromail, and GE, to the creation of the Cold River and Airport Industrial Parks. Today we are a diversified organization that provides small business counseling, financing, and expert assistance, in addition to our traditional industrial development efforts.

In the past year we were active on many fronts to improve the economy of the region. Some of our accomplishments included.

- Facilitated the location of Ellison Surface Technologies to the Airport Industrial Park in North Clarendon, where they will initially employ 20 skilled people in their new 15,000 sq. ft. manufacturing facility.
- Worked with the Town of Brandon and the Brandon Industrial Corporation, to facilitate the expansion of Vermont Tubbs to the Edward K. Denecke Industrial Park in Brandon, which will be home to their new 130,000 sq. ft. manufacturing facility. This state-of-the-art plant will initially employ 130 people with plans to hire a minimum of 60 new people in the following two years.
- Funded \$323,750 in new loans to five local firms, and one out-of-state expansion, which resulted in the retention, or creation of 35 jobs. Two loans were for start-up businesses.
- Enhanced our "one stop shop" with the addition of representatives from the Vermont Manufacturing Center (VMEC) and the Vermont World Trade Office (WTO), and developed a Rutland Region web site, www.rutlandvermont.com, in conjunction with the Rutland Region Chamber of Commerce.

REDC is an organization that seeks members, not donors, and the future of Rutland County is our primary focus. We need your support to continue our mission and meet our goals. We are always open to suggestions and input from our supporting communities. Call us or, stop by our office anytime at 256 North Main Street, in Rutland. We look forward to working hard for you in 1997.

Sincerely,

David J. O'Brien
Executive Director

THE VERMONT CENTER FOR INDEPENDENT LIVING Summary for Town Report

The Vermont Center for Independent Living teaches people with significant disabilities how to gain more control over their lives and how to access tools and services for living more independently. We also conduct public education and systems change activities that promote the full inclusion of disabled people in community life.

One in eight Vermonters has a disability. The Vermont Center for Independent Living (VCIL), a private not-for-profit corporation, is Vermont's first and only cross-disability center for independent living and the first organization in the state to be directed and staffed by a majority of people with diverse disabilities.

Statewide, in FY 96, from October 1, 1995 through September 30, 1996 VCIL responded to 2048 requests from individuals, agencies and community groups for information and referrals on a broad range of subjects related to living with a disability; provided one-on-one peer counseling to 366 individuals to increase their opportunities and skills for independent living; provided 117 households with financial and technical assistance with making their bathrooms and entrances accessible to a disabled family member; we provided 179 individuals with personal assistance and/or assistive technology; and served a total of 3820 home-delivered meals to Vermonters with disabilities.

VCIL's main office is located in downtown Montpelier; we have two smaller satellite offices, one in Bennington and one in Brattleboro. The Montpelier office houses our resource library and our toll-free "warmline" which provides answers to disability-related questions from every Vermont community. Our locally-based peer counselors are available to people with disabilities in every town in Vermont.

Between October 1, 1995-September 30, 1996, VCIL provided direct services to 36 residents of Rutland Town and City of Rutland inclusive. To learn more about VCIL, please call us, toll-free, at 1-800-639-1522.

VERMONT ENHANCED 9-1-1 BOARD
1996 Status Report
by Evelyn Bailey, Executive Director

In 1996, every Vermont municipality except five (Essex Village, Middletown Springs, Winooski, Bethel and Pittsfield) exercised its option to join the enhanced 9-1-1 system. Enhanced 9-1-1 is an emergency calling system that provides an instant display of the caller's location, phone number, and emergency services, which greatly decreases response time and enables help to arrive more quickly.

Implementation of enhanced 9-1-1 involves a huge volunteer effort. Each participating municipal government appointed a 9-1-1 Coordinator, and nearly every Coordinator has established a local 9-1-1 committee. Hundreds of Vermonters are mobilized and have dedicated thousands of hours to prepare the foundation upon which the enhanced 9-1-1 system will be built. That foundation is the establishment of municipal street addressing systems. This is the first phase of the implementation of enhanced 9-1-1 emergency calling service, and is the most labor intensive—both for the State and the municipalities.

The E9-1-1 Board, which does not endorse unfunded mandates, made a conscious effort to level the playing field between rural and urban municipalities, and to break down the barriers that often exist between "State" and "locals." They've done this by offering direct staff assistance to municipalities as well as direct technical assistance in the form of service contracts. The contracts for the first phase of implementation are with microDATA, a Geographic Information System (GIS) database and mapping company from St. Johnsbury, and with each of Vermont's regional planning commissions.

In order to receive this assistance at no cost, the E9-1-1 Board asked municipalities to sign a Memorandum of Agreement (MOA), committing themselves to the process. The E9-1-1 Board will provide approximately \$1.8 million in GIS mapping assistance to facilitate municipalities' conversion to conventional street addressing and development of the necessary databases; software tools to facilitate their review and correction of the GIS data; support and training from the E9-1-1 staff and the regional planning commissions in the use of those tools; and accurate digital and paper maps showing the addresses and locations of structures. These valuable maps can be used and developed for a variety of purposes. To date, 247 municipalities are involved in the GIS mapping and database program.

In 1995, the Board adopted common sense addressing standards. Municipalities have tailored them to meet their own needs when it comes to things such as road names, measuring, numbering, ordinances, etc. Towns that already have conventional street addressing systems have had the option to grandfather their systems or to re-address if they have seen the need to upgrade to a more functional and flexible type of system. Once this work is done, the United States Postal Service, which has been working with municipalities to implement the addressing changes, will deliver the new address notifications at no cost to towns.

Phase II of the implementation will be to install and test the telecommunications network, databases, and equipment at each of Vermont's 13 Public Safety Answering Points. The E9-1-1 Board went out to bid in the fall of 1995 and selected NYNEX, which was the lowest bid, from among three finalists. The resulting contract included an 18 month installation and testing period and a 5 year maintenance agreement. This contract was submitted to the Agency of Administration for review in May and was approved in November. The lengthy process has effectively moved the target date for full implementation from July 1997 to May 1998. However, this appears to

be a blessing in disguise. Many towns require significantly more time to review and correct the GIS mapping and addressing data than was originally built into the project timeline. For towns that are ready, we still expect that implementation will begin in the summer of 1997, although statewide implementation will not be complete until May of 1998.

These first two phases of implementation require the most effort. This is no small undertaking when work is being done locally by volunteers. For all the volunteers—thank you and take heart! Keep in mind that once the initial work is done, the maintenance phase is simple and straightforward. The effort of the 9-1-1 volunteers is vital to the successful implementation of a reliable enhanced 9-1-1 system. We hope each participating municipality will show appreciation for the volunteers who are making enhanced 9-1-1 possible for them. My staff and I count it a great privilege to be working alongside you! The Enhanced 9-1-1 Board can be reached at 1-800-342-4911, 1-800-734-8390 (TTY), mailing address 58 East State Street, Drawer 20, Montpelier, VT 05620-6501.

RUTLAND COUNTY WOMEN'S NETWORK & SHELTER
PO Box 313, Rutland, VT 05702
Business - 775-6788 Crisis - 775-3232

October 25, 1996

The Rutland County Women's Network and Shelter is requesting the sum of \$500.00 for assistance in supporting the Shelter. We are very grateful for the help that the town has given us in the past.

Sincerely,

Bonnie Gainer
 Director

Annual Report-1996
Rutland County Women's Network & Shelter

The Rutland County Women's Network and Shelter helped over 3000 people in 1996 with 37 coming from Rutland Town. Some of the services we offer are shelter and services for battered women and their children and shelter and services for victims of sexual assault. In addition we run a 24-hour crisis line and provide crisis response on the phone, in the hospital, police station, or at the shelter, and assistance with the Vermont Court system. We also provide individual counseling, help with obtaining clothing, food, and assistance in beginning a new life and a safe household.

Because we were able to expand our Shelter facility a few years ago, we have increased our programs for families to learn and grow more and keep safe.

Our needs seem to be always increasing because more and more families choose to live out of danger. We strive to continue to be able to do this vital work and assist families into a new and safer life.

**GEORGE D. AIKEN RESOURCE CONSERVATION AND DEVELOPMENT
(RC&D) COUNCIL
AVAILABLE TO HELP YOUR TOWN**

The George D. Aiken RC&D Council is here to serve your community. We coordinate and facilitate help to town governments, school districts, fire departments and nonprofit groups in the six southern counties in Vermont. We are a voluntary nonprofit citizen's group supporting community betterment and rural development. Through the U.S. Department of Agriculture, we get technical assistance and staff help, but our Council is a self-supporting nonpartisan organization that is available to **HELP YOU**.

We are available to your community but only at your request. We bring together technical and financial resources focused on the specific needs that you may have. Our mission is to help you meet your needs and we rely upon our extensive networks to bring the resources together.

Highlights of our work in 1996 and initiatives that can **HELP YOU** include:

IMPROVED RURAL FIRE PROTECTION

We in rural Vermont experience greater loss from fire and generally pay higher insurance premiums. The Vermont Fire Technical Support Team is your very own personal consultant that can help your fire service. AT YOUR REQUEST they can:

- Assist with strategic plans for a town-wide water withdrawal system for fire protection
- Provide technical specifications and plans for dry hydrants/pumping basins
- Develop marketing, recruitment strategies and funding sources

72 fire departments were assisted in 1996 with 24 fire protection water supply plans completed. If your town was not one of them, give us a call.

TIMBER RETAINING WALLS

Arlington and Brandon are proud owners of native timber walls that solved critical problems while promoting expanded forest products markets and demonstrating new techniques.

A large slipping bank on River Road in Arlington closed the road regularly and deposited sediment in the Battenkill River. A 300' up to 12' tall treated timber wall, partially backfilled with chipped trees, was constructed. We coordinated for the Town a partnership including: Vermont Correctional Industries, Agency of Transportation, Forests and Parks, Agency of Natural Resources, U.S. Forest Service, Natural Resources Conservation Service and DuBois & King Engineering. The over \$200,000 project is a beautiful addition to the landscape and doing its job.

A video is available documenting the construction of this innovative project. Call us if you would like a copy.

Falls Park in Brandon was being washed away by streambank erosion of the Neshobe River. The undeveloped postage stamp sized park in the downtown was not able to be developed until the erosion was stopped and land area restored. The Town called upon us to coordinate various partners to construct the 80' curved wall. The 10' wall is now in place protecting the newly expanded area and adding to the vitality of a revitalization effort in downtown Brandon. Stop by the park right in the middle of the business district and check it out.

Both of these projects used a Standard Design Package for constructing a native timber wall. The Package was developed specifically for Vermont and new Hampshire. With the package, a non-technical person can determine if the timber wall is applicable to their site, size the wall and list out the various components needed for construction.

The complete wall can now be ordered from Vermont Correctional Industries. If the project is municipally sponsored, Vermont Correctional Industries can also provide labor crews to erect the wall on site. Contact RC&D or Vermont Correctional Industries if you have a need for a timber retaining wall.

CITIZENS FORM WHITE RIVER PARTNERSHIP

Citizens in the 19 town White River Watershed area have joined together to form a grassroots initiative to support the long-term social, economic and environmental health of the communities. The focus is on the wise use and development of the river and watershed to make smart choices and take effective action that supports the present needs while ensuring the health of the resource for future generations.

In 1996, we were able to help the Partnership get \$54,000 from 4 granting sources. The resources will help hire a part-time Action Coordinator to continue engaging communities and citizens, coordinate streambank restoration projects and help guide river conservation education in schools. \$39,000 of the funds will be used to restore and enhance several streambanks on the upper mainstream of the River. The five towns of Granville, Hancock, Rochester, Stockbridge and Pittsfield are working together to guide and manage the project for the long-term benefit of the area.

Please consider the George D. Aiken Resource Conservation and Development Council your source of help. We work on a request basis. For information and free consultation call Dennis Borchardt our Executive Director at (802) 728-9526.

RUTLAND REGION TRANSPORTATION COUNCIL
 Post Office Box 965, Rutland, VT 05702-0965
 802-775-0871/800-464-7900

Annual Report—FY 1996 (October 1995-September 1996)

The **Rutland Region Transportation Council** is an organization dedicated to promoting cooperation and coordination on transportation issues among municipalities, organizations, and interests in the Rutland Region. Formed in December of 1992, the **Transportation Council** provides a forum for the development of regional transportation policies and priorities, and coordinates the implementation of those policies and priorities with the Vermont Agency of Transportation. Financial support for the organization is provided by state and federal funds obtained by the Rutland Regional Planning Commission.

All municipalities in the Rutland Region are considered members of the **Transportation Council**. However, municipalities are not obligated to participate in the **Council**; furthermore, those that do participate may cease their involvement at any time.

Over the last federal fiscal year (October 1995-September 1996), the **Rutland Region Transportation Council** and its staff have accomplished the following:

- Responded to the Vermont Agency of Transportation's proposal to reduce the number of projects ("prune") under development, and testified on the proposal before the Vermont House and Senate transportation committees (advocated for restoration of selected Rutland County projects);
- Provided comments to the Vermont Agency of Transportation on the development of the state FY 1997 (July 1996-June 1997) transportation Capital Budget and Program;
- Responded to the Vermont Agency of Transportation's request for input on the 1996 Project Evaluation and Development list.
- Continued work to prepare a list of the top transportation projects (areas that should undergo detailed evaluation and preliminary design) in the Rutland Region;
- Supported funding for the Rutland State Airport and proposed New York to Rutland Amtrak service;
- Participated in the Project Advisory Committee that is working with the Agency of Transportation on the development of draft report for US 4/US 7 Environmental Impact study;
- Participated in "Scoping" to advance projects in Wells and Poultney, Rutland Town, Wallingford, Brandon, Sherburne, and Rutland City, and "tracked" progress of projects in other communities;
- Worked with officials in New York state and the Woodstock area to investigate options for improving east-west transportation on US4;
- Continued to improve the regional travel demand forecast to aid in the identification of future transportation needs;
- Helped assess local road conditions in the towns of Castleton, Poultney, and West Rutland; and
- Initiated studies to measure bicycle and pedestrian needs and regional potential for "telecommuting."

In the current federal fiscal year (October 1996-September 1997), the **Rutland Region Transportation Council** is continuing many of these efforts. It is also undertaking several new initiatives, such as measuring Rutland County's transportation "accessibility," assessing the social and environmental impacts of the transportation system, and updating the regional transportation plan. In addition, and of particular importance, the **Transportation Council** will be carefully reviewing and commenting upon the draft US 4/US 7 Environmental Impact Statement, which is expected to be published in the spring of 1997.

Meetings of the **Rutland Regional Transportation Council** are held once each month, normally on the fourth Thursday, in Rutland. All those with an interest in transportation and related issues are invited to attend.

Questions about the **Transportation Council** may be directed to the following individuals:

Dean Pierce, Senior Regional Planner (775-0871)
 Charles Wise, Chairman (773-4202)

VERMONT LEAGUE OF CITIES AND TOWNS
Annual Town Report
1996

What is the Vermont League of Cities and Towns (VLCT)? The League was founded as a non-profit organization in 1967 by local officials who believed that cities and towns in Vermont would benefit from working together on issues of mutual concern. Governed by a 13-member selectboard, mayors, managers and clerks, VLCT is dedicated to serving the best interests and needs of Vermont municipalities. It does so by offering educational workshops and handbooks, legal and technical advice, legislative advocacy and group insurance programs to Vermont's cities and towns.

How is VLCT funded? VLCT is supported entirely by dues from local governments. Since 1995, all 246 cities and towns in Vermont have been members of the League. This full membership is a first in the history of the association and a welcome endorsement of the League's efforts on behalf of Vermont municipalities.

What benefits does my city or town receive from VLCT membership? Local officials administer numerous laws and regulations to assure their residents' health and welfare, ranging from protection against rabies threats to keeping the roads clear, to providing solid waste management and fire protection. The League provides local officials with the latest information and tools available to do these complex jobs, so that your local governments can function as efficiently and successfully as possible. Workshops are offered throughout the year to health officers, planning commissions, zoning administrators, selectpersons, auditors, tax collectors and others. In addition, VLCT publishes newsletters and handbooks on specific topics to guide local officials in the discharge of their responsibilities. VLCT staff, including a municipal attorney, is only a phone call away for local officials with specific questions about any local government matter (thousands of questions were answered in the past year from virtually every member municipality).

More tangible benefits result from VLCT's insurance "trust" programs. These programs save municipalities thousands of dollars every year because members pool their resources before purchasing insurance and share in any savings that are realized by careful claims management and loss prevention programs. Since 1983, total distributions to member municipalities (including 1996 and 1998 projections) from the VLCT Unemployment Trust, VLCT Health Trust and the VLCT Property and Casualty Intermunicipal Fund have equaled more than \$7,774,000! Many more millions were saved through lower long-term insurance costs. This is all money that did not have to be raised by local property taxes.

Finally, VLCT represents the interests and positions of local government in the legislature as they are set forth in the **Vermont Municipal Policy**, a policy platform that is adopted by the membership at its annual meeting in October. If state laws on elections, financial management, property taxes and education funding, transportation, and environmental issues, to name a few examples, can be changed to make local government function better, the League will help your local officials bring their message to Montpelier.

Dues paid by member municipalities are vital to all of these activities and to the continued existence of VLCT. Municipal officials around the state thank you for your support.

Rob Bast
 President, VLCT Board of Directors
 November 1996

WE RECYCLE ...

Tin/Aluminum

All food and beverage tin and aluminum cans, and clean pie pans and tin foil.
 Rinse clean and remove labels. Cut lids from cans.
 No scrap metal, lids from glass jars, paint cans or tar pails.

Glass

Clear, green and brown.
 Rinse clean. Remove caps and lids.
 No drinking glasses, light bulbs, mirrors, porcelain, auto or window glass.

Clear HDPE

Plastic milk jugs.
 Rinse, remove tops.
 No clear plastic, shrink wrap, ketchup bottles or hard plastic.

Color HDPE

Plastic detergent, soap and shampoo bottles and water and cider jugs.
 Rinse, remove tops.
 No baby wipes, food trays or toys.

PET

Clear plastic soda, water, juice and cooking oil bottles.
 Rinse, remove caps and metal seals.
 No plastic wrap, toys, lids, caps, food trays or plastic bags.

Polystyrene

"Clamshell" food containers, styrofoam cups and egg cartons, packing "peanuts," clear plastic trays and inserts used to package baked goods, yogurt, cottage cheese and sour cream containers with the #6 logo on the bottom, plastic utensils that break when they are bent, and styrofoam trays used to package meat or produce.
 Rinse, clean of any food residue.

GTCDB

Gable top cartons and drink boxes (milk and fruit juice cartons).
 No frozen food, ice cream or cigarette cartons, paper plates or cups; or straws or food particles.

Cardboard

Brown, double-walled material with a wavy center used in most shipping boxes.
 No pizza boxes, yellow or waxed cardboard.

Boxboard

Cereal and shoe boxes.
 No white boxes, no metal parts, no six pack carriers.

Six Pack OCC

Boxes used to carry six packs of beer, soda, wine, etc.
 Make sure they're clean and dry, and flatten.

Newspaper

Newspaper and inserts.
 Keep dry, and bag separately in a brown paper bag.
 No envelopes, advertising mail, notebooks or books.

Office paper, magazines, paperback and hardcover books, and catalogs
 Envelopes, colored paper, fax paper, manila folders, glossy paper and junk mail.
 Magazines, phone books and catalogs.
 No strings or plastic.
